• Tech Stack: SQL, Excel, Python, Tableau. • Analyzed, cleaned, and transformed HR data using SQL, Excel, and Python. • Developed Tableau dashboards and KPI reports to support business decision-making.	

Technical Skills

Languages: Python, SQL, Java
Data Analysis: pandas, NumPy, Excel, Root Cause Analysis (RCA), Estimation & Forecasting
Visualization: Tableau, Matplotlib, PowerBi
Tools & Technologies: Spring Boot, Git, GitHub, REST APIs
Concepts: KPI Analysis, Dashboard Development, DBMS

Projects

Ecommerce Sales Dashboard Tableau, SQL, Excel Github Link	Jan 2026
• Developed an interactive ecommerce dashboard to analyze sales performance, profit trends, and customer purchasing behavior • Tracked key business KPIs including revenue, category-wise sales, regional performance, and monthly growth trends • Used data visualization techniques and analytical insights to identify high-performing product categories and sales patterns	
HR Analytics Dashboard Tableau, Excel Github Link	May 2026
• Built an interactive HR analytics dashboard in Tableau to analyze employee attrition, salary distribution, and workforce demographics • Identified higher attrition trends in the Sales department and among employees aged 25–34 through KPI-driven analysis • Designed dynamic visualizations and interactive filters for department-wise performance and workforce insights	
MediGPT – AI Medical Assistant Java, Spring Boot, Ollama Github Link	April 2026
• Developed an AI-powered medical assistant using Spring Boot and Ollama for handling healthcare-related queries with real-time response streaming • Integrated health tools including BMI calculator and blood pressure checker with structured medical response handling • Designed REST API architecture and responsive chat interface supporting local LLM integration and real-time AI interactions	

Education

Nims University, Jaipur , Bachelor of Computer Applications (BCA)	August 2023 – May 2026
• CGPA: 8.67	
Sumer Little Roses Sr. Sec. School, Jodhpur , 12th RBSE Board	July 2022 – May 2023
• Percentage: 85.20%
